

PowerDAQ MF Accessories

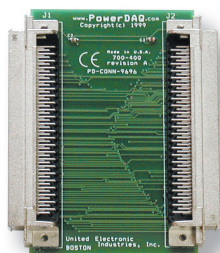

Cables & Connectors

PD-CONN-PCB

PD-CONN-PCB Mating Connector

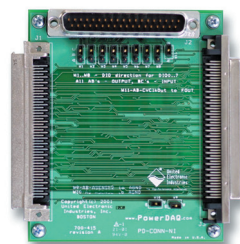

Connector adapter with a bulkhead (panel) mounting 96-way pinless Fujitsu connector for PowerDAQ MF(S) boards. Used to create custom accessories for PowerDAQ MF(S) boards.

PD-CONN-9696

PD-CONN-9696 Interface Connector

Interface connector with two 96-way Fujitsu connectors on the both sides. Use this connector for custom boxes.

PD-CONN-NI

PD-CONN-NI Interface Connector

The PD-CONN-NI converts 100-way National Instruments analog/digital connector to the PowerDAQ 96-way analog and 37-way digital connectors.
